Dear Author,

We wish to submit a new manuscript entitled “***In vitro* study of biocontrol potential of rhizospheric microorganisms against *Fusarium oxysporum* f.sp. *albedinis***” for consideration by the **Pakistan Journal of Phytopathology**. We confirm that this work is original and has not been published elsewhere.

In this paper, we performed *In vitro confrontation* of rhizospheric microorganisms against 4 isolates of *Fusarium oxysporum* f.sp. *albedinis*. These pathogenic isolates are responsible for the destruction of the date palm in Algeria.

The paper should be of interest to readers in the areas of Biology, Ecology and Agronomy.
